

## MEMORANDUM OF UNDERSTANDING BETWEEN SHRI NARENDRA TIDKE COLLEGE OF ARTS & COMMERCE, RAMTEK AND ECO BIO HERB PVT.LTD. & BALAJI BIO REMEDIES

This memorandum of understanding ( hereinafter referred to as ' MOU' ) is made and entered into by and between SHRI NARENDRA TIDKE COLLEGE OF ARTS & COMMERCE , RAMTEK , Whose address is AMBALA ROAD, TAH-RAMTEK , DIST - NAGPUR, 441106 and the ECO BIO HERB PVT.LTD & BALAJI BIO REMEDIES , whose address is NAVARGAON, RAMTEK, DIST - NAGPUR.

The purpose of this 'MOU' is to establish the terms and conditions under which the two parties to this memorandum will function. The aim is to initiate and enhance the collaborative relationship between the higher education institution ( HEI) and the agricultural product producing firm. Since majority of the students studying in SHRI NARENDRA TIDKE COLLEGE OF ARTS & COMMERCE , RAMTEK belong to the rural agricultural families and the firm is engaged in producing nature - friendly farm products and since both function in the same geographical area, i.e.Ramtek, this collaboration will be useful for both parties.

This ' MOU ' is effective upon the day and date signed and date signed and executed by the duly authorized representatives of both the parties to this ' MOU' and the governing bodies of the parties and shall remain in full force and effect for a period of five years, and may be renewed / terminated subject to renegotiation by both parties after written notice which notice shall be delivered by hand or by certified mail to the address listed above prior to three months of date of expiry .

### Responsibilities & Agreement :

The Parties to this 'MOU' agree to the exchange of technical and practical experience of the firm and the theoretical concepts and knowledge of the students of the college. The two participating organizations of this MOU will conduct the programme of developing technological skills for agriculture in the rural students.

According to this agreement, the college would send a group of students every year to the firm for training and skill development. These students would work in the firm on a part – time basis. The firm would also help the students after completion of training to start its own compost fertilize unit which would be run by the students. Both the parties shall be responsible to materialize the concept of 'earn and learn' practically in the conscience of the stakeholders.

In witness whereof, the parties to this MOU through their duly authorized representatives have executed this MOU on the day and date set out below and certify that they have read, understood, and agreed to the terms and conditions of this MOU as set forth herein. The effective date of this MOU is the date of the signature
