- Faculty members were motivated for attending workshops, refresher and orientation courses and also to engross themselves in research activities.

Action Taken on Parents' feedback

Feedback on course, teaching, extra and co-curricular activities, guidance, library and other infrastructural facilities has also been taken from the parents of the students.

Mostly, parents expressed their satisfaction on all aspects. Nevertheless, some parents hoped for some provisions of guidance for competitive exams since the students of this region belonging to rural and poor background have less exposure in this regard. Consequentially, it was decided to arrange special classes and guidance workshops for competitive exams.
